Brus Chambers is considered to be the most feared litigation and arbitration firm in the country, it strikes fear into the hearts of the opponent

Commercial litigation and arbitration has been the bedrock of Brus Chambers legal practice since the firm's founding. Clients choose Brus Chambers because our practice is with deep experience on the specialised subject. Clients choose Brus Chambers because we've been trusted to resolve tough and complex cases.

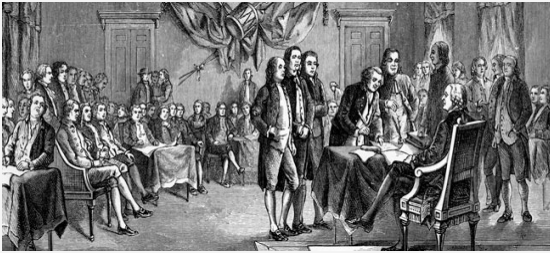

Our litigation team is respected for their professional demeanor, their skills and their integrity as advocates. A successful litigation practice is not only about dramatic victories, however; its underpinnings are derived from a total commitment to obtaining the best and most effective resolution to a client's litigation problems—both inside and outside the courtroom.

Our litigation team provide high-quality and efficient representation to clients in a wide range of disputes. Our team work closely with clients to achieve the best results while keeping our eye on the budget and finding ways to reduce cost. Although we have the experience and bench strength to handle large, complex litigation matters, we are known for not overstaffing cases or "over lawyering" projects.

Our Charging methods ...

Brus Chambers believes in transparency in legal fees since inception of the law firm and have maintained since then. Today we are globally known as specialised practice law firm delivery quality services and transparency in legal fees.

The Economic Times; The Times of India; Fairplay have commented about our law firm as the only Indian law firm with real transparency in legal fees.

BILLING RATES & CHARGING METHOD

Brus Chambers professional fees are mainly computed on hourly basis, blended hourly rates, some are customised on case to case basis or on fixed fee, retainer etc depending on client requirement or on the matter. Our fees and expenses are computed in USD, EURO or INR only depending on the requirements of client.

Our firm's billing rates for litigation and arbitration work is at fixed/ lump sum fees, stage wise, while all disbursements are computed on actual. During this period, atleast two solicitors will be working on the given file, also when required more lawyers, paralegal, associates will be working on the file to ensure that quality service is delivered, at no extra cost.

We request you to prepare a summary/ briefing note of the matter/ case and forward the same to us to enable us to understand and analyse the complexity of the matter, as also the number of lawyers or paralegals that maybe required for the given file and accordingly we shall estimate the fees unto a stage and forward the same to you, but before doing so, we request you to forward to us the name of the parties and ask us to run a conflict check thereafter the concerned partner/ lawyer who will attend to your file will revert if we are free to act and represent you along with the fees and expenses.
